Business Information

Is this on behalf of a business that was targeted by a Cyber incident?	Yes
Business Name:	ELECTROLIPS LLC
Is the incident currently impacting business operations?	Yes
Business IT POC:	john pate
If your business or organization is defined as a critical infrastructure entity, select the sector below:	Energy
If known or applicable, please select the critical infrastructure subsector:	Electricity

Financial Transaction(s)

Did you send or lose money in the incident?	No

Description of Incident

Provide a description of the incident and how you (or those you are filling this out on behalf of) were victimized. Provide information not captured elsewhere in this complaint form:

Besides having a company that specializes in inventions and innovations in energy , weapons designs, aeronautics, piezoelectric fluid circuitry and many other advacements in technologies the company also investigates human trafficing, forced labor and abuctions along with other human rights watch situations. My website www.electrolips.online has had constant sabotage and vandalism. Just yesterday articles on investigations into the jews part in orchestrating the Holocaust of ww2 and the holocausts in eastern europe during the latest baltic wars and the millions of missing and replaced persons in Russia through the Cold war lockdown. I haave reported many tiimes in the past online fraud and cyber atatcks to IC3.gov however due to the USA government being heavily involved in these horrific crimes against white european and white jewish people these reports so far have gone uninvestigated, Just yesterday my website electrolips.online was atatcked again and reports preceeding March 4 2025 were completely removed from the site. I have also had atatcks where patent information and entire patents were printed on my site between investigations of the US government taking part in the atrocities with the south Americans and central Americans that fled back to south America at the closing of WW2. My site also contains many racial slurs and vulgarity that I did not publish myself . these crimes continue on me constantly. the site is hosted by a compliant named CPanel whose leadership are these same south American Brazilian cave people that have been heavily involved in modern day slave trade and abductions with the Mexican mafia and the Cali cartel that i have linked directly to the Mexican military and in turn the french aristocracy since the mid 1800s when they were at war with Mexico and attacking Germany almost simultaneously and just prior atatcking switzerland in the year 1792 when they began slaughtering the actual swiss people they have now almost totally replaced with their cross mixed latinos and other white colored south americans. my site has been hacked maybe over 50 times in the past 3 years. can someone at the DOJ please do the job we are paying you for and actually investigate all these reports ive been filing through the past 3 years of owning this site and previous 10 years of reporting the colombo crime family committing crime after crime on me. they are centralized in Belgrade serbia and have serious links to the SS and the holocaust that was conducted in eastern europe during the dissolution of Yugoslavia. I also have direct links to general and president eisenhower being part african and have a ton of substantiating evidence placing him and his troops killing the europeans and jews for racial holocaust by the

africans on european and european americans that were slaughtered in WW2.

Other Information

If an email was used in this incident, please provide a copy of the entire email including full email headers.

WWW.electrolips.online fo rmy current site .

here are some blockchain from past vandalism your department refuses to investigate over the past few years.

Are there any other witnesses or persons affected by this incident?

thousands of viewers per year. these people are destroying my credibility with slander, vulgarity and racist remarks. i spend more time rebuilding the site and editing the site than i do writing ad investigating the stories.

If you have reported this incident to other law enforcement or government agencies, please provide the name, phone number, email, date reported, report number, etc.

yes i reported this to the FBI IC3.gov over a dozen times but it seems that this governemt is so corrupt and i have so much online fraud that the only people who can do this many hacks and fraud would in fact be the US government covering up these crimes and stealing billions in profits in invetions per year and shipping the IP through their consulate channels to their little kingdoms built on US taxpayer dollars in other countries. I have also dealt with serious crimes committed on me and my company by federal judge aileen cannon of miami and judge reisenhart of miami whom both should be incacerated very soon for ongoing crimes with RICO charges all over them and serious ties to the Cali cartell in cali columbia.

Is this an update to a previously filed complaint? Yes
